Rodney Williams is an ordained pastor, author of the book, *Club Meth to Christ*, and founder of Club Meth to Christ Ministries. His goal is to help those who struggle with the devastating bondage of addiction experience lasting freedom. Rodney lived as a drug addict and alcoholic for over twenty years of his life but that all changed the night he was set on fire in a crystal meth lab explosion. That night he surrendered his life to Jesus Christ and from that point on Rodney began following Jesus. Rodney entered the Home of Grace drug rehabilitation program after months of skin grafts and burn treatments then wrote the book *Club Meth to Christ*. He obtained a Bachelor of Arts degree in Religious Studies from the University of Mobile. Rodney was pastor to a small congregation in South Mississippi for eight years before entering full time evangelism. Rodney's story has been featured on *The 700 Club*, Pacific Garden Mission's radio drama, *Unshackled*, and American Family Radio. He has spoken at countless evangelical and secular events using his story to warn audiences about the danger of drugs and give hope to those trapped in the bonds of addiction. Rodney and his wife, Jennifer, live in South Mississippi with their four children.

“I was charged with murder and sentenced to 20 years. One night I went to the trash can to put something in and saw your book, *Club Meth to Christ*. I picked it up, wiped it off, and read every page. I’ve never read a chapter of any book in my entire life. I have asked the Lord to come into my heart and save me.”

John
Mississippi State Prison Inmate

“I went home last night and read your book in 2 hours and cried the whole time. I have been struggling with drug and alcohol problems for the past 4 years. You have helped me more than you’ll ever know with your book.”

Carol
Student, University of Alabama

“Thank you for reaching out to the addicted in our society. You are directly responsible for my son’s sobriety. He first wrote you from jail and you encouraged him to go to rehab. He did! I have prayed for him for years and I thank you for writing him while he was in jail. But I thank you most for leading him to the Lord.”

Janice
Foley, Alabama

“It was such a blessing to hear Rodney speak. I have been broken and at the bottom of the pit of addiction for a long time. I was mad at God for the death of my son. I had lost all hope and then you gave me *Club Meth to Christ*. Through Rodney’s words, I realized that I do have a future. I gave my life to Christ and have a great sense of peace.”

Becky
New Orleans, Louisiana

“When I was in rehab I read your book and since I’ve been home I’ve read it over and over. Recently, I met a woman whose daughter is deep in the pit of addiction. I gave her your book. I am so grateful that when I didn’t have the words to help, I had your book. She called me to say her daughter wants to go to rehab now! Thank you.”

Rebecca
Knoxville, Tennessee

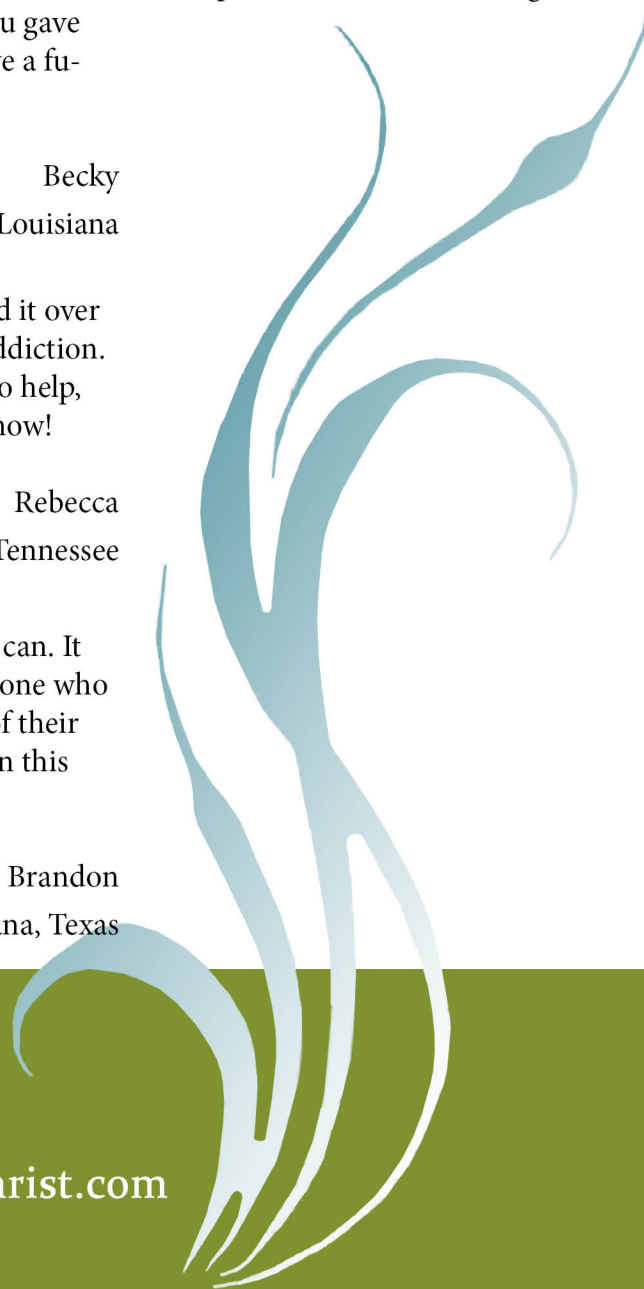

“I have been locked up for 3 years now and share your book every time I can. It is a big hit on the compound. It is such an inspiration coming from someone who was at rock bottom but, with faith in Christ, rose up and gained control of their life. Thank you for sharing your story. Through it, God is changing lives in this prison compound.

“For six years we were privileged to travel around with Rodney Williams who we grew to love even more as time went on. Literally hundreds and thousands of people have been inspired by his story and preaching, but our family was even more blessed to see him live each day exactly what he preached. Your church or event will be greatly impacted by Rodney’s message. “

The Red Roots Family

”Since 2002, I have been blessed to be a friend to a miracle of God’s grace. That miracle is Rodney Williams. God has transformed his dependency upon drugs to a dependency upon Christ. If you have an opportunity to use him as a speaker, please do. He is effective with students as well as adults. I am glad to be able to call him a friend.”

Phillip Price

Associational Missions Director, Jackson County Baptist Association

”Rodney Williams’ presentation is personal, real-life, informative, and entertaining. I know with his help we can reach a lot of children to avoid the costly mistake of experimenting with drugs.”

Anthony N. “Tony” Lawrence, III

District Attorney, Nineteenth Circuit Court District

“Rodney has a powerful testimony of how he was addicted to meth, how it controlled his life, and how it almost killed him. He then shares his victory over this powerful substance. He has touched the lives of thousands.”

Bill Barton

Founder of the Home of Grace

“I have just read your book *Club Meth to Christ*. I was a crack head and meth addict. I was raised by my mother who was a diligent Christian. One of her last request was that her children would all be saved. What about me? I have been to prison five times. I was locked up when my mother passed away and could not go to her funeral. I want you to know that today I received Jesus.

Carl

Arizona State Prison Inmate

“My son, Daniel, is in jail for drug possession. He had a beautiful home, a business, cars, anything he wanted. Now he has nothing. He stole from me, his dad, his brother, and his 87 year old grandma. He read your book and says I need to read it to help me see where he is and that there is help and hope for him through Jesus Christ.

Publicity and Promotion Ideas

1. Email- Send emails announcing the event with a link to the Club Meth to Christ website www.clubmethtochrist.com. This works best if one is sent as soon as the event is booked, one month from date, one week from date, and the day before the event.
2. Radio/TV- Many local TV and radio stations will announce the event as a public service announcement, community billboard, or calendar. Rodney is happy to offer in person or phone interviews to radio stations promoting the event. Stations generally prefer at least a one month notice prior to the event.
3. Social networking- Facebook, twitter, etc are valuable tools to spread the message. Don't forget to ask you church, youth group, or organization to post on their social media pages.
4. Christian book stores- These are great places to stir interest, place posters, and offer a book signing or meet and great before an event.
5. Newspapers- Newspapers place event announcements through their community events calendar and many welcome upcoming event information for feature stories. You can also email the editor with a link to the Club Meth to Christ website.
6. Posters- Rodney has a downloadable poster here: (Insert Link Later) Place them wherever you can: church, schools, coffee-houses, local restaurants, bookstores, etc.
7. Churches- Most churches will include the event in their announcement page, church bulletin, and make announcements to their congregations.
8. Remember- Be aware of other events in your community that conflict with the event and schedule accordingly. It works best to reach out to as many schools, churches, and other organizations before planning an event in order to reach as many people as possible during my time in your area.
